“a beautiful and fresh window on the Dalai Lama”

Producer-Director Khashyar Darvich and Co-Producer David Mueller, with the Dalai Lama.

Synopsis:
Forty of the world’s most innovative thinkers travel to India in the Himalayan Mountains to meet with the Dalai Lama to solve many of the world’s problems. What happened was surprising and unexpected. The film features Quantum Physicists Fred Alan Wolf and Amit Goswami (from “What the Bleep Do We Know”), Dr. Michael Beckwith (from “The Secret”), and others. Beautifully filmed exotic scenery and Tibetan and Indian culture.
Narrated by actor Harrison Ford.
